CORPORATE SERVICES DEPARTMENT

REPORT ON 2ND QUARTER THANKGOD IT'S FRIDAY (TGIF)

It was indeed an unforgettable experience as Fidson Healthcare Plc Staff gathered at Suntan Beach on the 21st of August, 2010 to celebrate its 2nd quarter ThankGod It's Friday (TGIF), it was a day of relaxation and excitement for all.

The event started with an opening prayer by the MD, Dr Fidelis Ayebae, followed by his speech "he encouraged all staff to have fun, eat and drink but don't drink to stupor".

To make the event memorable the Corporate Service Department organized games such as Tug-of-war, Beach Soccer, Fidson Treasure hunt and the likes. All participants in the competition were grouped into four teams tag the Gascol, Asytmin, Cuddles, and Tuxil team. The Asytmin team won the match against the Gascol team with two goals to nothing (2-0), while the Tuxil and Cuddles team went on the treasure hunt.

It was another exciting and significant event that left the minds of the hunters on the search for a hidden treasure which the winner gets a gift along with a cash prize. It was a mind blowing event as MD embarked on the journey to find the treasure.

The hidden treasure was found by Mr. Ejiga Simeon of FPL factory. It was indeed an unforgettable experience as joy and happiness drove in the hearts of many who went home with lots of consolation prizes.

To make the event more colourful, varieties of drinks and food were available to go round for all staff and invited guest, coupled with the music by DJ, Jonny B.

It was a memorable one and convenient to say that the staff of Fidson Healthcare Plc enjoyed themselves to the fullest and looking forward to another edition of ThankGod It's Friday (TGIF).
